## LAYERS

A hand-drawn sketch of a person's profile, facing right. The person has a long, flowing hair or mane that extends across a grid. The sketch is drawn with black lines on a white background. The grid is composed of 10 columns and 10 rows. The person's head is positioned in the first column, and their hair flows across the remaining columns. The hair is drawn with multiple overlapping lines, giving it a sense of movement and volume. The person's face is simple, with a few lines indicating the nose and mouth. The overall style is that of a rough, conceptual drawing.
